

## WILL MOVE OFFICES TO NEWPORT NEWS

Electric Railway, Light and  
Power and Gas Companies  
to Consolidate.

## TWO NEWSPAPERS COMBINE

Daily Press and Times-Herald  
Taken Over by One  
Concern.

(Special to The Times-Dispatch.)  
Newport News, Va., April 2.—With-  
out a dissenting vote, the Common  
Council last night adopted an ordi-  
nance permitting the Newport News  
and Old Point Railway and Electric  
Company, the Citizens' Railway and  
Light and power Company and the  
Newport News Gas Company to con-  
solidate under a single company, pro-  
vided the principal offices of the con-  
solidated company is located in New-  
port News. The Board of Aldermen  
will concur in the ordinance next week  
and it is practically certain that Mayor  
Semmes will sign them. By bring-  
ing the principal offices of the com-  
pany here, the city will get the tax  
on the rolling stock, which now goes  
to Elizabeth City County, in which  
county the principal office of the com-  
panies are now located.

The Daily Press, the morning news-  
paper, and the Times-Herald, the after-  
noon newspaper, have been con-  
solidated, the two now being owned  
and published by the Daily Press, Inc.,  
the officers of which are announced  
as follows: W. S. Connelley, president;  
John Garland Pollard, Richmond, vice-  
president; E. Stuart Blanton, treasur-  
er, and L. E. Pugh, secretary. Col-  
onel Connelley remains as editor, and  
the news department of both papers  
is managed by James L. West, who  
was the managing editor of the Daily  
Press. L. E. Pugh is business man-  
ager of the consolidated papers.

When the Misses Finch returned to  
their home on West Avenue last night  
from the Academy of Music, they  
found a foreigner hiding behind the  
front door of their home. The escorts  
of the young women grabbed the man  
and held him until the police arrived  
and arrested him. In the Police Court  
today his case was continued until  
tomorrow. The man speaks very lit-  
tle English, but made known to the  
police through an interpreter that he  
had lost his bearings. The police be-  
lieve that he contemplated robbing the  
house, and was surprised by the late  
homecomers.

Mrs. Louis Skimkowitz, who returned  
here today from Huntington, W. Va.,  
tells of some horrible scenes she wit-  
nessed there. She declares that she  
saw a house floating down with the  
flood, with a mother and three babies  
on the roof. The woman was almost  
drowned from the terrible exposure and  
fought men who rescued her. Subse-  
quently the mother said that the home  
had been swept down from Pittsburgh.  
The store owned by Mrs. Skimkowitz  
was at Huntington was partially  
ruined and some of the stock de-  
stroyed.

According to information received  
here today from Dayton, Ohio, John  
J. Moran, son of Thomas J. Moran,  
3503 Huntington Avenue, was drowned  
in the flood in that city. First reports  
also said that his wife had lost her  
life, but a later telegram stated that  
she is in a hospital in Dayton. Moran  
went to Dayton two years ago. He  
lived here many years and is widely  
known. The body will be brought here  
for interment.

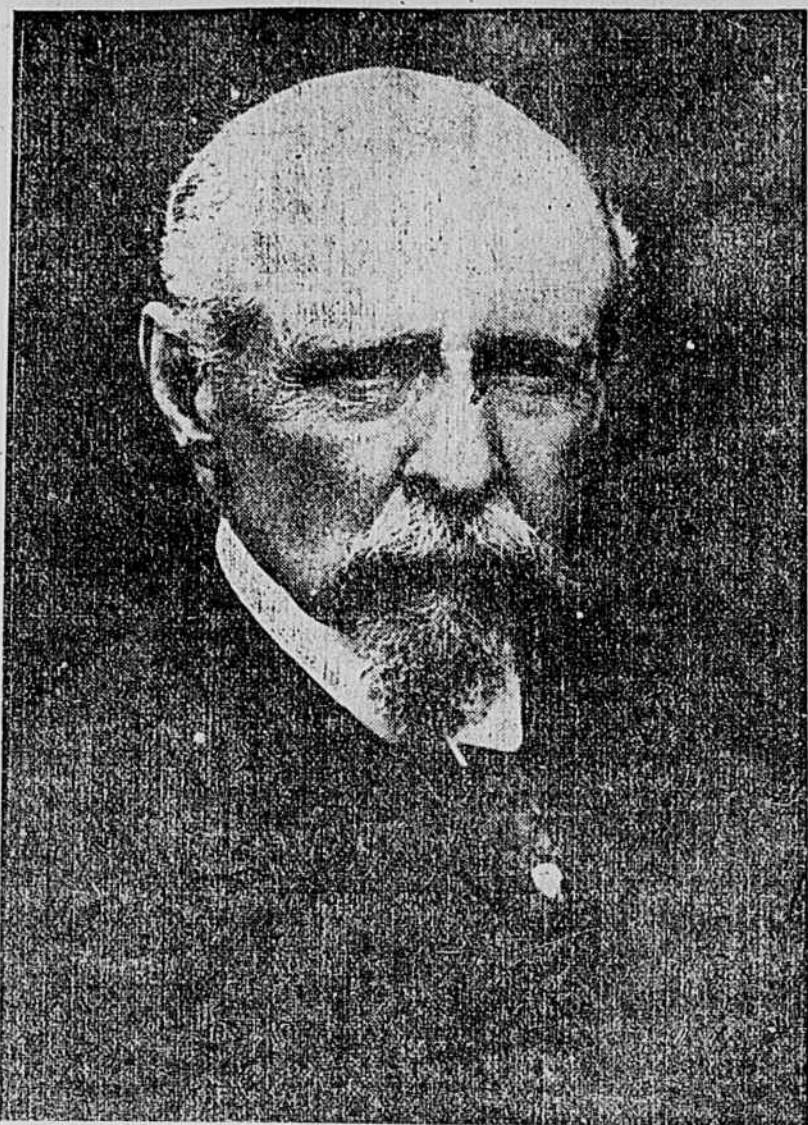

Jackson Parker, a negro employee of  
the plant of the Newport News Ship-  
building and Dry Dock Company, died  
at the St. Francis Hospital this morn-  
ing from the effect of injuries received  
last night. He fell into the hold of  
the new Matson liner, Matsonia,  
which is being erected at the yard. The  
man sustained a fracture of the skull.

## Odds and Ends From the Wire

### HURLED FROM HEARSE.

Undertakers Almost Killed and Coffin Em-  
pty in Runaway.

York, Pa., April 2.—In the wild dash of a  
runaway hearse, drawn by a horse on the way  
to the funeral of a child of Ambrose Elsen-  
barger, of Warrington township, undertaker  
Charles Elsenbarger and his son Robert were  
badly injured yesterday morning. The  
hearse was thrown to the road and burst  
open, the corpse falling out.

The hearse was driving and lost control of  
the horse on a steep hill. In a brave effort  
to avoid a collision with the biggy contain-  
ing the minister, Rev. Mr. Kotter, he dash-  
ed the hearse into a fence.  
The pastor's buggy was overturned and  
he was thrown out, but escaped injury. El-  
senbarger was pulled off at an auction sale in  
Warrington, and the undertaker was badly  
injured. The horse was killed and the  
hearse was thrown to the road and burst  
open, the corpse falling out.

### FIGHT FOR SADDLE AT 84.

Old-Slagers, Disputants at Auction, Take  
to the Ring.

Washington, Pa., April 2.—A ring bout, in  
which Isaac McGill and Andrew Horn, both  
eighty-four-year-old citizens, were the prin-  
cipals, was pulled off at an auction sale in  
West Pike Run township yesterday after-  
noon. The stakes were \$100, which the  
auctioneer had knocked down to Horn, al-  
though McGill claimed his bid was the high-  
est.

In the argument that followed challenges  
few thick and fast. To settle the matter a  
ring was pitched, with a rope and stakes,  
seconds and a referee were appointed, and  
the old boys told to settle it, the winner to  
take the saddle.

At the call of time both the "come-backs"  
added in and gave began to flow before a  
minute of the round was up. The fighting  
was fast, with both men unrepentant and  
going as fast as they could work their  
arms.

When the bell rang for the end of the  
round neither of the batters looked for a  
second, but kept smashing and slugging one  
another around the ring. The referee and  
seconds tried to separate the outlaws, but  
several minutes flew before they suc-  
ceeded in pulling them apart. Both were  
covered in blood, but still had plenty of  
fight left in them.

The saddle was finally put up and auctioned  
off to another bidder.

### ZIONISTS DON'T TRUST WOOD.

Tobacco Crusaders Will Hereafter Pray in  
Cement Tabernacle.

Zion City, Ill., April 2.—A cement taberna-  
cle, in which Zionists may pray for the  
salvation of tobacco and profane operators will  
be built at once opposite the offending elec-  
trical works.

"This is not a labor of love, but compul-  
sion, since the old wooden tabernacle in  
which daily services against the factory  
were held was destroyed in a recent scuffle  
with the employees, who got tired of the  
continuous praying."

### THOUGHT THEATRE FALL ACT.

Man Falls From Balcony to Main Floor in  
Trying to Leave.

Wilmington, Del., April 2.—Harry Rob-  
inson, 504 Union Street, fell from the bal-  
cony in the Theatre Theatre to the main  
floor during the performance last night. He  
was picked up unconscious and hurried to  
the Delaware Hospital, where it was found

# RHEUMATISM

## A Plain Statement

This is an advertisement pure and simple—an advertisement for Noah's  
Liniment—the Best Pain Remedy. With the aid of liberal newspaper  
space we can get before many at one time the merits of Noah's Liniment.

You, if a sufferer from this many-headed monster—rheumatism, or if  
you have a relative or friend suffering from this terrible disease, will be  
grateful for what I have to state here, and will no doubt bless the day you  
read this advertisement.

By the way, an advertisement is much like an editorial—it is one man's  
opinion. Yet, in many cases, a one-man statement is the result of several  
opinions—the editor being a good listener, and usually a clever writer.

This statement is shaped after repeated calls on many sufferers from  
rheumatism who have been relieved or cured by the use of Noah's Liniment.  
My business is the making of this preparation—family pain remedy  
—and getting it before the public.

I have personally investigated many of the testimonials for Noah's  
Liniment, and so have been in touch with sufferers, but rather than give  
my experiences with them, will reproduce parts of letters or statements  
from these people. This portion of the advertisement is more to inform  
you just what Noah's Liniment is, and how it is put before the public.

First, you will agree with me, that rheumatism is a serious trouble—  
with even more serious conditions following if not checked in time. It  
brings on all kinds of misery, often doubles one up, makes life almost  
unbearable.

# Noah's Liniment

Is an external treatment—not one case in ten requires internal remedies,  
which usually upset the stomach and other organs. You may be one that  
Noah's Liniment will help or cure. Note I am not positive in helping or  
curing every case.

It is interesting to read advertisements of the so-called "cures" for  
rheumatism—more interesting to note the illustrations used. They make  
a poor unfortunate sufferer feel worse. Read what these "cures" require:  
"Take three or four times a day" some remedy made up usually with  
strong drugs. A guarantee is given if one will take six or more bottles,  
large bottles, mind you—a good thing for the medicine manufacturers.

Read what they claim is the cause of rheumatism: Uric acid, kidney  
trouble, liver complaint, indigestion, etc. No one knows what uric acid  
is—ask your family physician. While you are talking with him ask about  
these internal so-called "cures." You have a lot of faith in his opinion, I  
am sure.

Do not fill your system with these internal remedies until you have at  
least tried one bottle of Noah's Liniment. If one large bottle does not  
help you, your dealer is authorized to return your money, and we want  
you to have it. If he will not make your claim on us. During six years  
we have refunded on three bottles—a record we are very proud of.

Where there is no swelling or fever, Noah's Liniment will no doubt  
help you. Requires very little rubbing, penetrates, and does not evaporate  
like most external remedies.

Noah's Liniment is absolutely pure and clean-to-use, contains no chloro-  
form, ammonia, alcohol, naphtha, benzine, or poisonous drugs. Sold in  
three sizes, at \$1.00, 50c and 25c per bottle by all dealers in medicines in  
the cities and out in the country. Your dealer can get it from his wholesale  
house if you insist. If he will not supply you, we will send any size by  
parcels post on receipt of price.

Be sure you get the genuine Noah's Liniment, with Noah's Ark, trade-  
mark, on every outside box and label. This trade-mark protects you in  
every way from underhand practices, misrepresentations, and unfair busi-  
ness methods. Beware of substitutes offered by unscrupulous dealers,  
which, by the way, are suggested to you for the extra profit. Get the  
genuine, guaranteed Noah's Liniment. Pronounced "Noah's Liniment."

Nothing to mislead you by that name—  
which stands for the Best Pain Remedy.  
Read what others have to state in re-  
gards to Noah's Liniment and profit  
thereby. Made in Richmond.

skeleton. Fortunately I learned of Noah's  
Liniment and began its use. Although  
I could not raise my arm, after using

## NEWS OF SOUTH RICHMOND HEAD IS SEVERED BY YARD ENGINE

### J. E. Baugh, Car Inspector, Meets Instant Death at Byrd Street Station.

While crossing the tracks of the  
Richmond, Fredericksburg and Potomac  
Railroad, between the bridge and car  
sheds at the Byrd Street station, yes-  
terday morning shortly before 7:30  
o'clock, John Edwin Baugh, forty-  
three years old, a car inspector, of 317  
East Ninth Street, South Richmond,  
was run down and instantly killed by  
a shifting engine of the Atlantic Coast  
Line Railroad. Baugh was knocked  
down by the pilot of the locomotive,  
and one of the wheels passed over his  
neck, decapitating him. His body was  
otherwise horribly mangled.

Although the accident was witnessed  
by several persons, none could explain  
just how it happened other than to say  
that Baugh was in the middle of the  
tracks and was knocked down. It was  
said that he probably did not hear the  
approach of the engine.

Baugh, who had been employed by  
the railroad for many years, was com-  
ing from the bridge to the station for  
the purpose of "making up" a train.  
He was crossing a switch when the  
engine struck him. He was thrown  
upon the rails, and the wheels passed  
over his head. His limbs were also  
frantically crushed.

Coroner Taylor, who viewed the  
body, said Baugh's death was purely  
an accident, and an inquest was un-  
necessary.

The dead man, who was a widower,  
leaves two daughters, Miss Mabel  
Baugh and Miss Sadie Baugh; one son,  
John Baugh, of Norfolk; his father and  
mother, Mr. and Mrs. A. Baugh, of  
South Richmond; one sister and three  
brothers. The funeral will take place  
this afternoon at 5 o'clock from Central  
Methodist Church. Interment will be  
in Maury Cemetery.

ters to Form Local Camp.

Plans to organize a camp of Sons of  
Confederate Veterans residing in South  
Richmond and Chesterfield County are  
being formulated by a special com-  
mittee, representing Woodbridge Camp,  
United Confederate Veterans, and  
Chesterfield Chapter, Daughters of the  
Confederacy. A meeting was held yes-  
terday afternoon at the courthouse.  
No definite action was taken other than  
to arrange for a meeting to be held  
in the latter part of the month.

The committee in charge of the or-  
ganization of the camp consists of Mrs.  
Elizabeth C. Trainum, Misses Alice  
Bohmer Rudd, Matilda Norfleet and

### PLAINTIFF RESTS CASE

Suit for \$10,000 for Personal Injuries  
Is on Trial.

Witnesses for the plaintiff were put  
on the stand yesterday and occupied  
the entire day's session of Hustings  
Court, Part II, where the personal in-  
jury suit of E. L. Slaughter against  
the Virginia Railway and Power Com-  
pany and A. L. Chewning & Co. is be-  
ing heard. The plaintiff is asking dam-  
ages in the sum of \$10,000 for injuries  
received by the alleged negligence of  
the defendant companies.

According to testimony offered yes-  
terday, he was a passenger on a Hull  
street car. When the conductor al-  
lowed the car to pass the regular stop-  
ping place, says Slaughter, who is par-  
tially blind, he fell into an open  
trench. He says he was injured in the spine  
and was confined to his home for some  
time.

Court adjourned at 6 o'clock, after  
finishing with the plaintiff's witnesses.  
The defendants will open this morning.  
It is possible that the case will go to  
the jury before night. The plaintiff is  
represented by John A. Lamb and  
Charles L. Page. T. P. Bryan and W.  
C. Sullivan are representing the car  
company, and P. L. C. Cabell is appear-  
ing for Chewning.

Contracts let for Park Work.  
Contracts for finishing granite  
work in Washington Park were let

J. E. Perkins Construction Company  
was the lucky bidder. Work is to be  
started at once.

Workmen from the Water Depart-  
ment yesterday began to lay the water  
main from the street connections to  
the fountain in the park. The fountain  
arrived yesterday. It is of wrought  
iron and is somewhat similar to those  
in the Capitol Square. It is about two  
feet in diameter and is supported by  
a base of artistic design. It will oc-  
cupy the centre of a concrete basin  
ten feet five feet in diameter and three  
feet deep.

### More Aid for Flood Sufferers.

Mayor Ainslie has been notified by  
Manager D. L. Toney that the proceeds  
of the Pastime Theatre performances  
to-morrow afternoon, over and above  
expenses, will be contributed to the  
relief of the Ohio flood victims. Spe-  
cial shows will be given from 1 to 4  
p. m. A similar arrangement has been  
made by the management of the Victo-  
ria Theatre. Performances will be  
given there Monday night to aid the  
cause. Tickets for both shows are on  
sale by merchants.
